PRESS RELEASE

»Dinorah Varsi Legacy« receives ICMA Special Award 2016

The jury of the International Classical Music Award honours the »Dinorah Varsi Legacy« box set with a Special Award as an »outstanding musical production«

The »Dinorah Varsi Legacy« box set is given the ICMA Special Award 2016. The award ceremony and gala concert hosted by the Basque National Orchestra Orquesta de Euskadi under the direction of Jun Märkl will take place on April 1st in San Sebastian. The International Classical Music Award is an independent prize for classical music recordings and video productions. In 2016 the ICMA will be granted for the 6th time. The jury consists of 16 members representing medias from 14 different countries.

The »Dinorah Varsi Legacy« box set has been published on 6 November 2015 by GENUIN in Leipzig and attracted worldwide attention. Thereby the ICMA Special Award 2016 goes to a splendid, voluminous edition which has been composed with great care. The box set honours the artistic legacy of the Uruguayan pianist Dinorah Varsi (1939-2013) and provides a comprehensive overview of her career from 1945 to 2004. The virtuosity and distinctiveness of her playing made Dinorah Varsi one of the great pianists of her generation. The box set offers an abundance of unpublished recordings of Dinorah Varsi's studio performances and live concerts. The »Legacy« edition pays tribute to a great artist who always remained faithful to her own ideas on musical interpretation. »I was always my own self,« Dinorah Varsi once said. »It was not easy, but it was the only way I could play.«
